Dear HGAC members:

**HGAC is “Investing in Youth!”** Your recent issue of the “*Preserve*” newsletter announced HGAC’s exciting new initiative, “**Investing in Youth.**” In June our Board approved the idea of engaging youth as HGAC members, and to develop their interest and skills in the building trades related to historic preservation.

We want to reach out to **youth, adults who work with youth, and young adults** in fulfilling our mission to foster interest in our cultural heritage.

Your pledge will help us provide the resources needed for workshops and classroom talks, and to reach our goal of providing apprenticeships, internships and scholarships to youth as they become **the next generation of the historic building trades workforce.**

With your support HGAC will expand an existing start-up fund for “**Investing in Youth.**” We are asking HGAC members like you to be the first to step-up to the challenge to raise \$15,000 through the “**Giving Spree**” on **Nov. 7, 2019**, sponsored by the Adams County Community Foundation.

**Please, make your pledge today, and you will be “Investing in Youth!”**

Pledge now...but make your gift during the Giving Spree. **Just circle the amount you will donate on the Pledge Card below, and drop it in the mail to HGAC.**

Thank you,

Anne Zabawa  
 HGAC President

**PS:** The “**Gift Form**” you will need to send along with your donation during the **Giving Spree** will be enclosed in your **October issue of the “Preserve,”** HGAC’s newsletter.
